Read This Before Ordering

We exercise the greatest care to have everything true to name and will replace free, or refund the money, on any stock untrue to name. If for any reason you are dissatisfied with the stock, when received, return it and your money will be refunded.

TERMS

Net cash before shipment; 25 per cent deposit will hold orders until shipment. Orders not fully paid will be sent C. O. D. for the balance, at the time for shipment to your locality. Money orders and checks drawn in foreign currency will be credited at the amount for which they are paid.

THRIP

The bulbs are guaranteed free from thrip. We treat our bulbs in storage and will ship packed with naphthalene flakes if requested. We advise everyone to treat the bulbs he plants with Lysol. Directions will be packed with your order if you are not familiar with these treatments.

ORDER CHANGES

It sometimes happens that we are out of the size you order, but have other sizes in the same variety. Please state if you wish us to send another size or variety if out of what you order. You will always receive liberal value for any change.

Extra bulbs will be included in your order for the names and addresses of your friends that grow 500 or more gladiolus. Write names below:

We also issue a Fall List of Tulips and Narcissus. Mark X after these lines if interested.

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There is a vertical crease down the center, suggesting it was once folded. The paper appears slightly aged or off-white.

IMPORTANT!

This year we are offering all of our bulbs at "ROCK BOTTOM" F. O. B. Portland prices. This of course means you accept the carrying charges, but just look inside and see how many more bulbs you will receive by ordering this way. Shipments will be made by the most economical method. The rates now have been reduced on smaller shipments so that there is very little difference between Parcel post and Express.

Just in case you want prepaid shipments, let us have your list and we can let you know what the postage will be.

ADVANTAGES OF ORDERING NOW

Early orders are always put up and set aside, then if the weather turns warm in a few months, yours can be shipped on very short notice.

By ordering now, you have a better selection from our 127 varieties, as some kinds are bound to be sold out soon.

As an added inducement, we will fill the "Early bird" orders more generously than the late ones.
